

ERECTASTEP®

Cross Over Stairs

ErectAStep quickly configures to gain safe access over pipes, dike walls and other obstructions. Three platforms together provide up to 9' of linear clearance, without a tower support required.

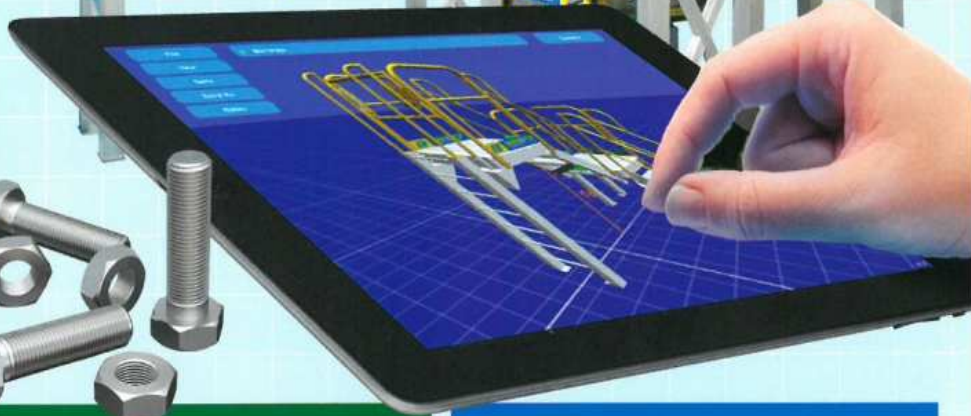

Why buy ErectAStep?

- ✓ 1. Simple design and estimation with our patented online configurator app
- ✓ 2. Pre-engineered components - For less cost than custom fabrication
- ✓ 3. Completely Universal - Quick bolt-together assembly for fast installation
- ✓ 4. Fully engineered and safety compliant
- ✓ 5. In stock and ready to ship!
